Para 9 of Government Order No. Fl. 404-48—Gen. Fin. 335-05-4, dated the 18th July 1906, sanctioning the budget estimates for 1906-07.

No. FL. 1208-17—S. & A. 100-06-1, DATED BANGALORE, 1ST AUGUST 1906.

ORDER THEREON.—The Government of His Highness the Maharaja have had under their consideration the question of granting travelling allowance to Amildars and Deputy Amildars for tours within their jurisdiction. This measure is calculated to improve the efficiency of this important branch of the subordinate executive service. The Government are convinced that the comparatively small additional cost entailed will be more than repaid by greater attention being paid by Taluk Officers to out-door work and all temptation for drawing supplies from the raiyats being removed. The state of the finances has hitherto prevented effect being given to this small measure of improvement in administrative efficiency. It has, however, been found possible when dealing with the current year's budget to set apart the sum required to meet the probable charges on this account.

2. The Government are therefore pleased to direct that, with effect from the 1st August 1906, an allowance of one rupee be given to Amildars and Deputy Amildars for every day on which they camp out or travel within their respective jurisdictions, beyond a radius of five miles from their head-quarters; journeys on duty outside the taluk or sub-taluk limits being regulated by the Mysore Service Regulations, as heretofore.

3. The Comptroller is requested to submit a draft addendum to the Mysore Service Regulations, embodying the above direction.
